Important Program Information
<p>* Please Note: Students may register online. For quarterly registration dates go to: http://www.cptc.edu/register.</p> <p>* I-BEST Students entering the evening program will be required to attend an I-BEST information session and complete entry and quarterly assessments while enrolled in the program. For questions about the I-BEST Nursing Assistant program contact the I-BEST specialist at 253.589.5524.</p> <p>*Prerequisites:</p> <p>* Students must have current immunizations or laboratory verification of immune status. Required immunizations listed below. Please note, immunization requirements may change based on CDC guidelines and/or clinical facility policies. Immunizations must be presented the first day of class.</p> <p>* In order to participate in the program, the student must receive a "No Record on File" report for crimes against children or vulnerable adults from the Washington State Patrol and DSHS.</p> <p>* Students are not required to carry personal health/medical insurance throughout their clinical rotations. A student will NOT be allowed at a clinical site without proof of health insurance. To find a health insurance provider student may go to www.wahealthplanfinder.com.</p> <p>*Physical Activity:</p> <p>* This occupation requires medium physical activity and lifting/handling objects weighing up to 50 pounds. Nursing Assistants are often standing for long periods of time. For safety and protection of patients, the student nurse must be able to perform basic cardiac life support (CPR), and function in a stressful and/or emergency situations. Students must be able to safely assist a patient in moving from bed to a chair, commode, or a cart.</p> <p>* Program Length:</p> <p>* The total number of hours to complete the course is 148 hours. NAC 108 involves 58 hours of nursing assistant theory, which includes HIV/AIDS and CPR, and 12 clinical lab hours. NAC 111 includes 40 hours of nursing skills. NAC 114 includes 50 hours of unit-based clinical experience in a long-term care facility, using the knowledge and skills acquired from NAC 108 and NAC 114. Mandatory attendance is required for all nursing laboratory and clinical days.</p> <p>*Employability Requirement:</p> <p>* Upon completion of this course, the student will be eligible to sit for the State Certification Examination-the National Nurse Aid Assessment Program Exam (NNAAPP). Graduates must pass the NNAAP exam and meet the state eligibility requirements, including a criminal background check, in order to apply for licensure. Persons with some types of criminal convictions may not be eligible for licensure.</p>
