Important Program Information

This degree prepares students to transfer to a Bachelor of Science in nursing (BSN) program at a four-year university, it does not guarantee acceptance into a BSN program. As some BSN programs have additional pre-requisites, students need to contact their potential transfer institutions for complete admission requirements. To receive the DTA degree students must have a minimum of a 2.0 cumulative college-level GPA. CPTC does not offer every course each quarter.
